Why choose Pearson VUE TC-Exams?

Easy and Flexible Scheduling:
- Choose your preferred test centre in a location to suit you; there are more than 5,200 locations worldwide
- Choose the time most convenient for you

Easy to use:
- “flagging”: Mark your questions and go back to “flagged ones” at the end of the exam
- “incomplete”: Review questions incompletely answered at the end of the exam
- “incongruence”: the system will ensure that multiple answers cannot be selected where only one answer is required*

Immediate Notification:
- As soon as you submit your finished exam you are notified whether you have passed or failed.
- The detailed evaluation will be sent to you via e-mail within one week after your certification exam.

* incongruence is not available with IREB® certification schemes

About Pearson Vue

Pearson VUE is part of Pearson PLC (NYSE: PSO; LSE: PSON), the international media company, whose businesses include the Financial Times Group, Pearson Education and the Penguin Group.

Pearson VUE provides a full suite of services from test development to data management, and delivers exams through the world’s most comprehensive and secure network of 5,200 test centers in 175 countries.

Each year more than 14 million people around the world take an exam with Pearson VUE. Chances are you, or someone you know, has recently tested with Pearson VUE. Your neighbor, the computer programmer ... your dad’s nurse, children’s teacher, real estate agent or college grad who wants to go to business school ... all demonstrate their knowledge, skill and commitment when they test with Pearson VUE.
